

ATTENTION LEARN-TO-SKATE!

Glissad Skating Club is preparing for our annual Spring Ice Show at Ice Land and we would like for you to skate in the show!

Saturday, June 11th, 2016

Your child may participate in a group number and/or a solo. If your child would like to do a solo, please see any of the Learn-to-Skate instructors for details. Group numbers will be choreographed according to each skater's level and group practices are scheduled for:

Sunday, May 8th @ 9:45 am

Sunday, May 15th @ 9:45 am

Sunday, May 22 @ 9:45 am

Sunday, June 5th @ 9:45 am

Members of the Advanced Freestyle class will have their group practices on the same dates listed above at 11:45 am.

These practices will last approximately one hour and are required in order to participate in the show. Each group will choose an outfit to wear, which usually can be found right in your own closet (ie: white shirt/black pants)! Check with your child's group number instructor for program outfit details!

Please complete the Spring Show Registration Form and include a payment of \$15 (cash or check, made payable to Glissad Skating Club).

Please see any of the Learn-to-Skate instructors for additional information.
